

**ALABAMA PUBLIC COLLEGES AND  
UNIVERSITIES: QUALIFIED FEES**

The following information is provided so that you will know the specific qualified fees your PACT contract covers. The qualified fee rates are effective as of Fall 2007 and are based on a 15-hour course load. Since the rates for tuition and qualified fees are subject to change periodically, it is advisable to contact the individual college or university for verification. The following information also provides a point of contact for each college and university, and an appropriate time to provide notification of your intent to use your PACT contract benefits.
